CONDITIONS OF GRANT

1. The project must relate to the purpose of the EAIA.
2. The total length of the application, including this form, may not exceed ten pages.
3. Successful applicants will be required to file a report on the project on a form supplied by EAIA. The report must include a statement of expenditures and must be filed with the committee by March 15 the following year.
4. An abstract of the grantee's research must be furnished with a report within 60 days of the scheduled completion of the funded work. Within a year of completion, grantees will submit an article reflecting the research for publication in *The Chronicle* (quarterly journal) or *Shavings* (quarterly newsletter) of the EAIA.
5. One copy of the final form of the completed project must be deposited with the Research Grants Committee, whether or not the final form is published.
6. Official acknowledgment of the support of EAIA **must be given when publishing this research.**
7. A research grant may be used to supplement existing fellowships, scholarships, or other forms of aid. The grant is not to be used to reduce or substitute for such assistance.
8. A research grant will not exceed \$3,000 and is not renewable.
9. A grant may not be used to pay for salaries, historical artifacts, software, or equipment in whole or in part.
10. Applicants are asked to give the names and addresses of their local newspapers so the Research Grants Committee can announce new grant recipients.
